Dear Members and Colleagues of KADA,

Our March 30<sup>th</sup> CE event was a great success. Without your participation, it could not have been successful.

I've talked to our sponsors and they were all surprised that the participation was beyond their expectation. They all promised that they will come back again for our meetings and sponsor our future meetings.

Also, we had many dental students who came and enjoyed the meeting.

We will continuously support our future generation and let them get involved with KADA.

Thank you very much again for your support, and I am really proud of each and every one of our members who came today.

Your membership of \$300.00 for 2 years is not much since it is just little more than \$10.00/month, but there is something worth more than money which is your dedication to the organization.

Please encourage each one of our Board members who have been volunteering their time and money for KADA for the better good.

Our next event will be KADA Golf Tournament on Sunday, May. 4th. Please mark your calendar and it will also be a very good event.

Also we need volunteer offices to accommodate Interns during summer of 2014.

President Pilseong Kim DDS, MS

한인치과의사협회(이하 KADA)가 출범 후 처음으로 USC 치대와 손잡고 진행한 한인 치과의사 보수교육이 성황리에 마무리 됐다.

KADA는 지난달 30일 오후 12시부터 7시까지 옥스포드팰레스호텔에서 보수 교육 학점 이수를 위한 베네핏 프로그램을 진행했다.

치과의사들이 라이선스 갱신을 위해 필요한 50시간의 일반 교육과 정 수료는 물론 주류 의료진들과의 유대를 강화하기 위해 기획된 이번 행사는 보철 집착과 관련한 난점 해결을 시작으로 마용 치과, 마용 형태, 그리고 보철 합법성 등으로 구성됐다.

## Student Reporters Column

Every year, graduating dental students across the country buff up their resumes and prepare to apply to advanced specialty programs. With so many applicants every year, students plan ahead to be a competitive applicant by being involved in leadership, volunteering and research during their four years of dental school. KADA and USC KDSA present and wish to congratulate Ronald Chung, Hyun Ji Sophia Kang and Joseph Park of the graduating DDS class of 2014 for their matriculation into postdoctoral residency programs. Ronald Chung has been matched into the orthodontic residency program of University of the Pacific (UOP) this past December. Hyun Ji Kang is 1 of 4 applicants who were accepted into the Advanced Specialty Education Program in Endodontics at Loma Linda University early in the summer last year. Joseph Park is starting a 1-year internship in oral surgery at UCSF following graduation. KADA would also like to congratulate two matched students from UCSF School of Dentistry. Class of 2014 Stephen Rheem has matched to University of Southern Nevada-Roseman Health Science Orthodontics/MBA program. Corey Song will be joining the GPR program at USC. Congratulations again to these three USC and two UCSF dental students for their accomplishments!
