Be Prepare DBC CE Credit Audit

Dear Members and Colleagues of KADA,

Recently, a good number of our members have been receiving letters from the Dental Board of California asking that their CE certificates be mailed to the Board to prove that they fulfill the requirement for license renewal CEs (CE Audit). At the same time, the Dental Board of California has been auditing the CE providers to match the attendees. Dental Board of California requires us to even provide the brochure of the CE courses if possible. Please be prepared and organize your CE certificates in advance.

KADA will have a CE course on Sunday, July 20th, 2014 at 12 pm. The course will be a pretty interesting subject on Lasers and BRONJ. Please RSVP ASAP. We will have a good representation of vendors including all of our sponsors.

Thank you.

Pilseong Kim DDS, MS
